I think either one could work. Also, does the Report to Congress get some fancy cover page prior to submission? If so, that may be another option.

You mean the TSCA Strategy or the EPA Workplan? That would be better; attached is pdf of the TSCA strategy ... the first page/top could be swapped in

Mulling over whether to put the TSCA law stuff in there...could be too close to looking like a “non-rule rule” (an OGC term)

Great. Me too. I've got an SOT meeting and helping a friend after her surgery but will try to plow through the clearance stuff this long weekend. I've been getting organized for blast rewrite. Happy Juneteenth! 😊

Any comments on the graphics?

Yeah, I figured that was for certain folks' benefit. I will reschedule that one.
Let me know if you both still want to meet and when and I will set up a new invite.
